In today's crowded world, it's not necessarily the product or service which helps a company to stand out, but it's the story.

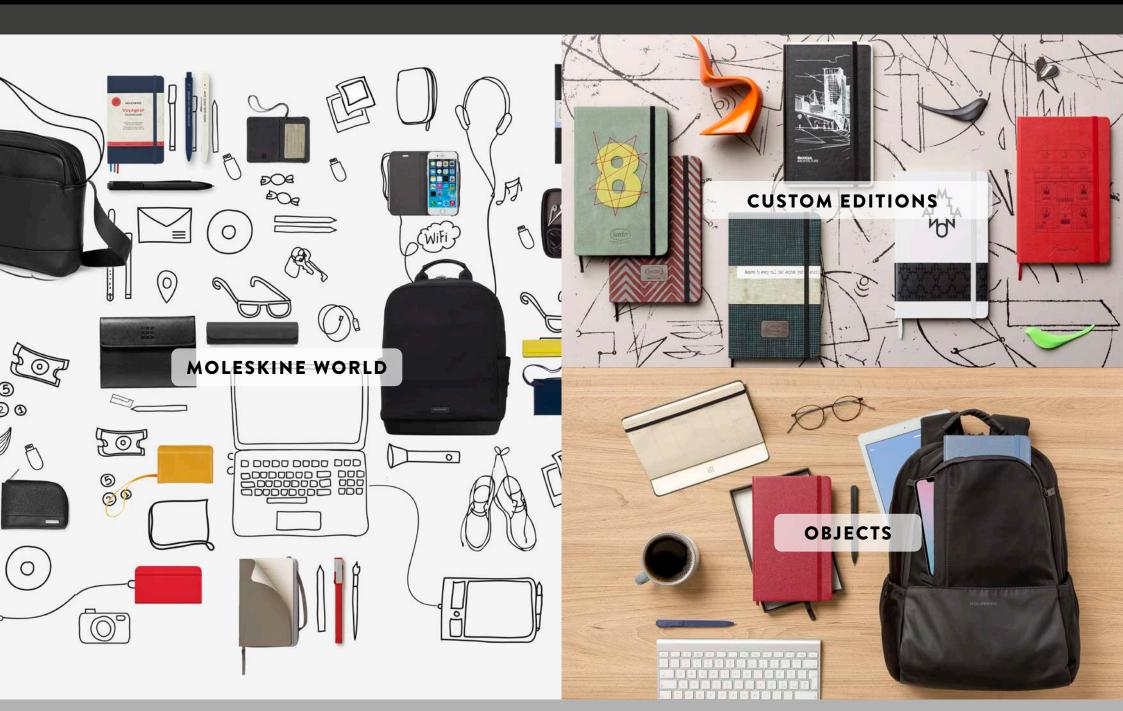

A heritage accumulated over generations. It is the way a company innovates in response to challenges that differentiates it from competitors.

Moleskine helps companies tell their stories. Our notebooks are books to be written, our bags are containers to be filled and our writing instruments fuel to communicate.

We offer simple, thoughtfully designed, functional objects that can be turned into powerful communicators for the world's best brands.

Let's start telling your story together.

THE COMPANY

**UNFOLDING STORIES** 

THE COMPANY

### THE MOLESKINE STORY

### THE ORIGINAL

The classic black notebook with ivory coloured pages and rounded corners is an object imbued with history and creativity. Beginning in France and used by cultural icons like Vincent van Gogh, Pablo Picasso, Ernest Hemingway and Bruce Chatwin, the Moleskine Notebook has upheld and continued this legacy.

### LEGENDARY BEGINNINGS

The notebook that Bruce Chatwin called "moleskine" became increasingly scarce in the 1980s before disappearing from production completely. In 1997, a small Italian publisher brought the legendary notebook back to life, and with it an extraordinary tradition of creativity and self-expression.

### PAPER EVOLVES

Today, the original Moleskine Notebook is part of a family of versatile tools, for ordinary and extraordinary journeys, to foster creativity and improve productivity. We offer objects such as bags, accessories, writing instruments, booklights and digital device covers. Our Moleskine Plus Collection bridges the gap between analog and digital processes. While our Moleskine Books Collection is an essential resource for today's creative professionals: inspiring books featuring leading figures from the worlds of architecture, design, graphic design and fashion.

### THE MOLESKINE COMMUNITY

Thousands of creations are posted online regularly by fans of Moleskine. We also engage offline through partnerships with some of the world's key cultural leaders, in-store events and travelling exhibitions, such as Detour.

### THE MOLESKINE STORY

The heir of the legendary notebook.

### myMOLESKINE

myMoleskine is a multipurpose online space for artists, doodlers, scribblers, visual mind mappers, DIY crafters, notebook hackers and Moleskine enthusiasts. Somewhere to upload and share pictures of creative projects that use Moleskine notebooks as a canvas: illustrations of a special journey, watercolor sketches of a cityscape, penciled portraits of a stranger in a crowd, calligraphic fragments of a poem written on the road. A living library of Moleskine-inspired creations that doesn't stop at traditional art forms, but also welcomes notebook hacks, productivity tweaks and fine tuning customizations.

### **FOLD MAGAZINE**

Fold by Moleskine is an online magazine that layers stories, events, lists, images and tutorials which invite the reader to delve between the lines and into a world of inspiration. Articles, features, people and places come together in each online edition to gradually unfold the creative process. Moleskine invites you into the fold to explore this platform for contemporary talent and creativity.

### MOLESKINE FOUNDATION

The Moleskine Foundation is a non-profit organization which believes that quality education is key to producing positive change in society and driving our collective future. Focusing on communities affected by cultural and social deprivation, the Foundation is committed to providing youth with unconventional educational tools and experiences that help foster critical thinking, creativity and life-long learning. The role Moleskine plays in the Foundation goes beyond mere financial support. As an expression of the brand's core values, Moleskine actively backs the Foundation's various projects - leading to a clear and close relationship between the two.

THE MOLESKINE STORY

**UNFOLDING STORIES** 

### THE COMPANY

Through an effective and efficient combination of hard channels, Moleskine is able to drive a sustainable long term growth. We are a global organization with an experienced leadership team, operating through a unique global brand.

### AN INTERNATIONAL COMPANY

Located in different countries around the world in over 27,500 points of sale, our head office is in Milan, Italy, and the Moleskine Group includes the following wholly owned subsidiaries: Moleskine America, Moleskine Asia, Moleskine Shanghai, Moleskine Germany and Moleskine Japan.

### **GLOBAL RETAIL MARKET**

Moleskine operates over 80 of its own retail stores; spaces where the entire collection is available in one place. Strategically located in key transportation and shopping hubs in major cities like Paris, London, Berlin, New York, Shanghai, Tokyo and Milan, further openings are planned worldwide. Moleskine increases its high visibility within the retail market with displays in major retailers around the world, new partnerships and e-commerce platforms.

### **OUR CONTINUING GROWTH**

Moleskine is a creative company enjoying continued growth. It counts over **450 employees** and a vast network of partners and consultants.

### UNFOLDING STORIES

We believe in the power of stories to move people and bring about positive change. From the history of the legendary notebook used by creatives over the centuries to notes penned today, all our objects connect you to an ever-evolving story of inspiration.

Our notebooks, apps and bags are designed as portable tools that quietly frame and celebrate creativity, exploration and ideas. We offer spaces where stories can unfold -platforms where everyone and anyone can contribute to the making of contemporary heritage. The next chapter is yours to create.

### **CREATIVITY**

Creativity goes beyond art: it encompasses time management, project organization and innovative problem-solving.

### **MEMORY**

Memory is about keeping track of professional and personal projects, or perhaps recording a journey. Memory is triggered by writing and sketching by hand on the page.

### **CULTURE**

Culture is dynamic, multicultural, progressive, often informal and in constant evolution. Today's notes and sketches are the cultural heritage of tomorrow.

### **CURIOSITY**

Personal growth means being curious about everything, taking every opportunity to learn, and being open to your surroundings. Knowledge-acquisition through curiosity is a life-long process.

### PERSONAL IDENTITY

Personal identity is tied to self-expression. Identity is expressed through the ideas you note down on the page and the things you never leave home without.

### **PRODUCTIVITY**

The brain works differently when writing longhand and concepts often grow more naturally on the page. Productivity means using the right tools to capture, share and grow ideas.

Exploration and travel mean ordinary as well as

extraordinary journeys. Exploring with the imagination is

**EXPLORATION** 

as important as physical travel.

### PERFECT OCCASIONS

### RESELLING

Emilio Pucci is synonymous with bold geometric prints and bright color palettes. The brand became famous in the 1950s for its bright, flowing designs that contrasted starkly with the structured and restrictive outfits of the day. Emilio Pucci's patterns, lines and use of color, inspired by the world around him, continue to influence designers in Italy and beyond today.

As part of the company's commitment to reducing waste, each of the 16 Custom Edition Notebooks made by Moleskine is covered with new fabric left over from the production process.

### **HOLIDAY GIFTS**

This Custom Edition Notebook, featuring the instantly recognizable Nike swoosh, was developed by Moleskine for end-of-year gifting. The American multinational, the world's largest supplier of athletic shoes and sportswear, found the perfect running companion in Moleskine. Nike's mission is to bring inspiration and innovation to every athlete in the world.Innovation and inspiration together represent a statement that deeply resonates with Moleskine objects.

### **GIFT WITH PURCHASE**

Fiji Water choose Moleskine to create a fully-customized notebook promoting the company's commitment to its water. Bottled at source, Fiji Water filters through volcanic rock and is then protected and preserved from external elements in natural artesian aquifers - right up until you unscrew the cap. Moleskine wanted to celebrate this commitment to quality with a special Custom Edition Notebook for corporate gifting. The notebooks features a striking blue cover and evocative image of Fiji printed across the flyleaves.

### **SPECIAL EVENTS**

With a history spanning 2 centuries, Brooks Brothers is the oldest retailer in the US. This elegant Custom Edition Notebook discreetly features the brand's Golden Fleece logo on the cover, an historic symbol of the very best quality woolen goods, while the notebook endpapers are printed with some key moments from the company's rich

### TECHNICAL CONSIDERATIONS

There are many ways to apply a company identity to Moleskine objects, from classic printing techniques to the latest technological advances. You can discover more about each below.

Note: when printing with debossing and silkscreen, results may vary. Our team will help you make the best technical decision to communicate your story.

### **FOIL DEBOSSING**

This technique is the same that has been used for thousands of years to decorate objects using gold leaf. It creates an indentation which can be felt and the result is striking and elegant. It is available for custom editions in a range of colours including metallic colours (commonly gold, silver, copper or bronze). Foil debossing works beautifully with one or more colours, but has some restrictions.

#### DIGITAL FOIL PRINTING

This technique produces an effect like foil debossing but without the indentation because it prints flat. This technique is mainly used to add names and initials to notebook covers.

#### **DIGITAL PRINTING**

This is a newer technique that allows us to reproduce full colour text and images, except metallic colours, on a variety of surfaces. Despite having some restrictions, it is a great way to replicate more challenging images.

### **BLIND DEBOSSING**

Like foil debossing, this technique creates a strong indentation which can be felt. No colour foil is added so the notebook retains its original colour, creating an elegant yet discreet effect.

### SILKSCREEN

Also called serigraphy, this is one of the oldest printing methods still in use today and results in bright, eyecatching colours. It can replicate almost any colour and therefore we always use it in printing logos and company colours. Despite some technical restrictions, this method works well with from one to four colours.

### **OFFSET PRINTING**

This technique has largely substituted letterpress and lithography due to its higher quality, faster turnover, and lower production costs. It is a paper printing technique that Moleskine uses for all of our paper add-ons such as inserts, paper-bands, flyers and gift boxes. It is available only on paper add-ons and ad hoc projects.

Structured pages, efficient note-taking, focused ideas.

The Subject Journal is a lightweight, flexible classroom companion with a structured academic page layout that helps you get the most from every lesson. Each page is divided into 5 sections with space to record a title and date at the top, above a main section for lecture notes. A vertical side panel is designed for keywords, diagrams and highlights, while a horizontal summary box at the bottom makes space for conclusions, takeaways and next steps.

### PAPER TABLET SMART NOTEBOOK COLLECTION

Digitize freehand drawing and notes in real time.

The Paper Tablet Smart Notebook gives you the freedom to capture your ideas by hand on paper, teamed with all the advantages of digital creativity. Invisible NCoded™ technology embedded within each page enables the Moleskine Smart Pen to recognize where it is within the notebook and to transfer all your freehand notes from page to screen in real time via the Moleskine Notes app. You can then digitally transcribe, edit, organize and share handwritten notes and sketches, for seamless integration between paper and cloud. Distinctively rounded pages project beyond the cover to reflect the shape and look of a digital tablet, while resistant 100 g/m² paper provides the perfect surface for either writing or drawing. Choose between dotted, ruled or plain pages depending on your unique professional and creative needs. The Moleskine Smart Pen recognizes not only differently numbered Paper Tablet Smart Notebooks, but also different covers, page layouts and sizes - allowing you to switch between notebooks and seamlessly develop a variety of ideas on the move, on the page and on screen.

WORKING TOGETHER

Start working on paper, continue on your preferred digital platform.

Moleskine Smart Notebooks are developed in collaboration with global digital partners and are designed to fit specific workflows. Each collection of Smart Notebooks works with a leading digital platform that specializes in either creativity, note-taking, or content management and accessibility.

Designed to empower self-expression, creative thinking and productivity, Moleskine Smart Notebooks are created for people who are looking for a clear-cut solution to their particular user story and need.

Simply write or draw on the page with your writing instrument of choice whenever and wherever inspiration strikes, and then take your work to the screen using the Moleskine Page Camera app.

#### WORKS WITH MOLESKINE PAGE CAMERA APP

Moleskine Page Camera instantly takes handwritten contents from the page of your Smart Notebook to your preferred digital platform and device. Moleskine Page Camera recognizes the platform and partner integration from the page markings and tidies up the image – making it ready to share, augment or store online.
